INDY 500 Is As Fast As It Gets!

So get on the course and risk it all. There's no such thing as fear, and there's definitely no room for cowards. Start your engines, nail it to the floor and get ready to **SCREAM!**

INDY 500 features real-time texture mapped graphics that immerse you in the world's most legendary raceway.

Burn through the course at 400MPH. Hear your tires squeal around hairpin turns, then let it loose on the long straightaways, totally blowing by the pack.

INDY 500's huge 38" wide vision projector screen puts the race in your face.

There's 3 different courses for a new race each time: INDY 500's Oval Circuit, Highland Raceway and Bay Side Street.

Up to 8 players can compete simultaneously using the units' interactive function.

4 unique visual perspectives let you choose your view on the fly. Get right in the action with the impressive DRIVER's EYE VIEW or take a step back with the VIEW FROM BEHIND.

Monster sound effects recreate the roar of revving racing engines as well as 400,000 frenzied fans.

Get It...Real POWER, Real RACING, REAL FAST!!!
